

## REMARKS

5 This document is being filed in response to a Notice of Non-Compliant Amendment mailed 01/26/2006, in which the Legal Instruments Examiner said that the amendment document filed on 01/09/2006 in the above-mentioned case was considered non-compliant because the listing of claims did not include the text for claim 54.

10 A new section of amended claims is included herewith, with the omission of claim number 54. The listing of this claim number was in error, with new claims being added through claim 53. Other parts of the Amendment, i.e. the REMARKS section, do not mention claim 54 and thus do not need to be changed.

15 Please replace the amended claims section of the amendment filed on 01/09/2006 with the amended claims section included herewith.
